

Invent your own character

just like *Roald Dahl*

Think up a brand new character – make it as *gloriumptious* as you can.

What does it look like?
Think about its *schnozzle*, *gogglers* and what clothes it would wear.

Then, invent your own story about your character – give it a *wondercrump* adventure!

What is your character *called*?

Is it *big* or *small*?

Is it *scary* or *nice*?

What clothes does it *wear*?

What does it *eat*?

Where does it *live*?

What does it *do*?

Ask your teacher for your own *phizz-whizzing* character sheet.
