Welcome to #TeamMarvellous

Hosting your very own Marvin's Marvellous Picnic is a fantastic way to bring together your community, friends, and family to support seriously ill children. Every picnic helps make a difference for children and young people living with complex lifelong conditions. We think its absolutely splendiferous to have you on board this summer!

Our charity exists to provide specialist nursing care for children with complex, lifelong conditions. We bring this to life through a growing network of highly trained and extraordinary Roald Dahl Nurses.

Right now, Roald Dahl Nurses care for more than 50,000 children. But there are thousands of children still without this specialist care.

With your support, we can establish more marvellous nurses.

Download the digital pack which is jam packed full of fundraising ideas, invites for your event, fun activities, bunting and much more!

Plus, raise over £250 and you will automatically be put into a prize draw to receive an exclusive signed revolting recipes book and other marvellous Roald Dahl goodies!*

Remember to share your picnics on social media so that we can see the fun you get up to! Please email fundraising@roalddahlcharity.org with any questions.

Thank you for joining **#TeamMarvellous** this summer to make a real difference!
