Roald Dahl's Marvellous Children's Charity provides specialist nurses and support for seriously ill children.

Our vision is that every seriously ill child deserves a Roald Dahl Nurse and fundraising is core to achieving this.

Job Description

We are looking for a tenacious, methodical, and organised person who can deliver sustainable income growth from trusts. We want someone who shares our core values of being child focussed, sparky, empowering, resourceful and kind and who can live by the ethos of who Roald Dahl was and what he is delivering through his legacy. We also need someone who is flexible and can react positively to a post-Coronavirus fundraising world.

The role's main task is to maximise income from trusts by the creation of high-quality applications and reports to funders, and by providing excellent account management and cross-team collaboration.

Key Responsibilities

Supported by the Head of Development and the rest of the team:

- **Trusts research** - you will proactively identify trusts and research them for suitability.
- **Trust applications** – you will be able to gather project information, curate it, and write it up into informative, engaging, high quality applications, giving trusts the opportunity to fund our work.
- **Trust relationships** – you will communicate and will build relationships with our funders through emails, letters, telephone calls, service visits and face to face engagements. Provide high quality account management - maximising income generation and relationship longevity.
- **Reporting** – you will gather the necessary information to compile reports that give funders real insight into what they have achieved.
